A still life photograph set against a dark teal background. In the foreground, a large, rounded wine glass is filled with a vibrant red liquid, garnished with a slice of orange, a slice of lime, and several small berries. To the left, a brass fruit basket is overflowing with fresh produce, including lemons, red apples, and clusters of purple grapes. In the background to the right, a white classical bust of a woman's head is partially visible, illuminated by the warm glow of a lit candle in a glass holder. The candle sits on a dark, textured stone base. The overall lighting is dramatic, highlighting the textures of the glass, the freshness of the fruit, and the soft light of the candle.
